Dear :

Re: Idaho Regulations on Factory Built Units shipped to or manufactured  
in Idaho

Enclosed is the information you requested:

Rules and Regulations - Building Bureau (see note below)  
Procedural Instructions  
Energy Compliance Report – Download from [www.energycodes.gov](http://www.energycodes.gov)

**NOTE: These are unofficial copies. If you desire official copies,  
write to:**

**Administrative Rules Coordinator  
700 West State Street  
P. O. Box 83720  
Boise, ID 83720**

If you have any questions regarding the Building Bureau's procedures or Energy Code compliance, please call (208) 332-8963; the Electrical Bureau may be reached at (208) 332-7147, the Plumbing Bureau at (208) 332-8985. The Department of Transportation will also need to be contacted for trip permits, titling and safety regulations at (208) 334-8681.

Page 2  
Date

Codes currently in effect include:

- 2006 International Building Code
- 2006 International Residential Code parts I through IV, 2006 IRC  
parts V & VI
- 2006 International Mechanical Code
- 2008 National Electric Code
- 2003 Uniform Plumbing Code
- 2006 International Energy Conservation Code

All fees can be paid with one check, please make checks payable to the  
Division of Building Safety.

Sincerely,

Melinda Doan  
Technical Records Specialist  
Building Bureau
